!In Tvilum parish register it is listed that he came from Rogen when he got married. I checked the 1801 census record for Rogen and found him listed as a man servant age 34 unmarried. I then checked the military records for Rogen parish 1792-1800, but he was not listed when he came in, and too old to be on the list by 1801. I do not think we will find him. (KIM)

Dick Aagard has him chr 29 Apr 1764 at Vissing, Venge, Skanderborg, Denmark without documentation.
